

A vibrant carnival-themed poster. The background is a colorful gradient from purple at the top to yellow and pink at the bottom. A large, glowing globe is the central focus, with water splashing around it. To the left, a large golden sphere is partially visible. In the foreground, a black masquerade mask with blue and purple feathers is prominent. To the right, another masquerade mask with colorful feathers (red, green, yellow, blue) is visible. The scene is filled with falling confetti in red, gold, and yellow, and sparkling light effects.
